I agree as a condition of enrollment in this school to pay tuition and fees as shown above. I understand that these fees are due and payable in order for our child(ren) to remain in the school. I understand that the overhead expenses of the school do not diminish if a student departs during the course of the year. Accordingly, I acknowledge that my obligation to pay fees for the full academic year is unconditional after the acceptance of this contract by the school or by August 1st, whichever is later, and no deduction or remission of tuition cost is allowed by the school for absence, dismissal, or withdrawal for disciplinary, academic, or personal reasons. I agree to pay, to the extent permitted by law, the school's expenses of enforcement and collection of the tuition fees and related expenses, including attorney fees and costs.
